

The Freedom Pledge:

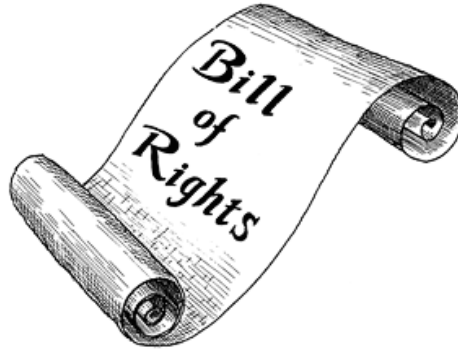

I pledge my honor to the Bill of Rights,
our precious national treasure.

As the Bill is a fortress against tyranny,
I will battle all tyrants.

As the Bill protects liberty,
I will live free.

As the Bill guards rights born within all humanity, I will
defend the freedoms of future generations.

With my life, my words, and my daily deeds,
with a vision of what can be, I honor all of the Bill of Rights
for all mankind.

The Freedom Pledge originated with Jews For the Preservation of Firearms Ownership
